1. I am giving you a new land, a land unspoiled by the milk and honey of this world. Into me seeing now the land I give you, I provided for you and yours, yours I have given you. Amen. Mighty being/is. I love you.

2. This is the now spoken of by the prophet Joel, and did all not speak of? Coming into me now the land speaks, spoken to, obeys me my word that goeth out to confirm the utterings, the desires of my heart; father's. I love you.

3. The new is/being, the now upon you is, having done nothing to cataclysmically rip it from your hand, you now enter believing, believing I will do the works that I did, and greater; greater, greater Ted, and those following, greater.

4. I come and I do the works, father has done the works, you letting the works come through you; surrendered, slain, from the foundation upwards and through throughout the region similar, not; altogether lovely is/being, trued, truth'd for me/in me/by me. I love you all.

5. Unspoiled by milk and honey untruth; spoiled not, never by human hands of betrayal/self-concept, but me my'd and truth is/being is now upon/in you and upon you and coming through/throughout you to others mighty-ing them now and always, not; always now forever. Amen and amen. So be it/it is, now and forever always eternal everlasting. Amen. I love you.

6. Now is the time/moment all have waited for, not; but seen afar off, not; from afar not; not even imagined, imagining my all-sufficiency, not; but father's provision all, peace, truth, and almighty being. Comfort not; father provided/provides all and who can see/imagine no shadow of truth, all wheels turning, no shadow, no variation, altogether lovely/loveliness; and one shadow being not. Never again. I love you. **See what I have said. Alter not ever**.

7. Again and again I speak, reveal, tell and show, declaring my truths and now my land is out of sight, not; in you is/being, and outside now; inside out'd and outside in'd and seamless passage given, portrayed in my loveliness/lovelies now and always. Amen.

8. **See the land given, described, wholly unto me for/in my mine is/being.** I love you all. Me.

9. This is the day/hour and moment not; second upon seconds not; nanoseconds real.

10. I love you all this day/hour/moment/nanosecond and always will, being it; you, if you choose, surrendering to my land, not; kingdom which land is. I love you. Amen.

11. Me.

12. Think not of another but loving me more and seeing only me, be me. There is no other. I am one. We are one. Praise God, we are one. Amen.

13. Go, enjoy Portobello road, me; come often now to sites unseen not but many where I take you now, unto me, to many from the four corners of the world, right here. I love you all/more. I do, I really do.

14. Me.

15. Go in peace, protection'd, provision'd, and all-land'd.
Amen.
